PORTFOLIO

THINK OUTSIDE.®

## Clean styling makes an extraordinary statement.

Give your home a classic, crisp-looking exterior with **CraneBoard® 6**. It's the 21st century version of a time-tested surface that works in beautiful harmony with accents of stone, shake and board & batten, or can be used to cover an entire façade with smooth integrity. The triple-width, insulated span bridges structural imperfections for a flawless appearance. The milled cedargrain texture, straight face and deep shadows of the 6" profile give your house a solid, authentic presence.

### Window & Door Trim

Window Crown Molding, Windowsill Lineal, and Integral Window Trim are only available in Aspen White, Country Beige and Clay.

### Corners

For a decorative 3-piece corner system, combine the corner connector with any of the window styles.

### Decorative Trim

CraneBoard 6, CraneBoard 7 and CraneBoard Board & Batten are available in all 23 colors.

Architectural Essentials Accessories are available in up to 18 colors depending on the product style.

Exterior Portfolio® is more than beautiful, long lasting exterior products for your home. We believe in a sustainable future for everyone. For you, this means a home made from environmentally preferred materials. For us, it means cladding products offering benefits such as durability and low maintenance. All of our products provide a long service life that requires no harmful finishes. Because our commitment to the environment stretches from our home to yours, we engineer sustainable benefits into our product development process through innovations such as our *Smart Track™* moisture management system and our Solid CoRe™ insulation. To learn more, please visit [www.ExteriorPortfolio.com](http://www.ExteriorPortfolio.com).

## Accents to make your home complete.

Distinctive finishing details give a home a final touch of craftsmanship. Depending on the effect you're going for, they can provide clean contrast or matching harmony. Solid CoRe™ **Architectural Essentials™ Accessories** give you a wide selection of architectural accents, from a decorative three-piece corner post system to stately crown molding. Most Architectural Essentials Accessories are available in the same Smart Styles™ color palettes as CraneBoard®. All are engineered to fit smoothly with any CraneBoard design style you choose.

	Available in up to 18 colors depending on style
	Life of the Home Limited Warranty

Beauty meets versatility.

The 7" clapboard plank is the tried-and-true choice for an infinite variety of architectural styles. From the traditional Colonial to the most groundbreaking Contemporary design, **CraneBoard® 7** can be used as both a starting point and an exciting accent. Its expansive, architecturally correct width combines with a perfectly straight, deeply shadowed shape and hand-milled cedar finish. Add to this design superiority a selection of expressive colors and it's a distinctive option for any home.

## Elements that add immeasurable impact.

Architecture has rhythm and flow. Adding the charm and dimension of rustic, cedargrain **CraneBoard® Board & Batten** to a conventional façade offers a lively change in tempo. It can be the influential element of a number of popular homes styles, from Craftsman to Contemporary. In addition to its exceptional weather resistance, as an accent or a theme, CraneBoard Board & Batten brings vitality and interest to design.

## Straighter. Stronger. Smarter.

- Only Solid CoRe™ backer foam has **moisture management** ridges that provide space for ventilation.
- Solid CoRe Siding® is **made with Neopor®\*** from BASF SE, that helps to absorb and reflect radiant heat.
- With Neopor®, the R-value of Solid CoRe Siding is up to **19% higher** than standard insulated siding.
- Our exclusive TXL™ Lamination Technology provides greater **surface adhesion** and that means over **200% more** bond strength between the siding and foam.
- Only Solid CoRe Siding has 64% greater compression strength, resulting in **enhanced impact resistance**.
- The tensile strength of Solid CoRe Siding is **40% higher** than standard insulated siding, which gives it a **more durable, just-installed appearance**.
- Our denser Solid CoRe foam has **53% higher** flexural strength compared to standard insulated siding, which means **smoother, straighter walls**.
- Solid CoRe Siding also reduces noise by **up to 45%** so homeowners can enjoy **peace and quiet** while inside their home.
- Better technology means a better warranty. Our **Life of the Home Limited Warranty**, the only warranty of its kind, is completely transferable to every subsequent owner.

Greater adhesion coverage
